

Explore Interior & Environmental Design 2017

Monday 19th June | DJCAD, Dundee

Think interior design is all cushions and curtains? Think again!

Join us on campus to spend a day in the life of a student in Interior & Environmental Design. You'll tour the studios to find out more about this unique specialism before completing your very own 3D interiors brief.

This event is perfect if you're interested in...

- ✓ Interior Design
- ✓ 3D/Product/Spatial Design
- ✓ Architecture

Feedback from 2015 and 2016...

- "I've realised interior design is not just furniture"*
- "I really benefitted from this, and have become more relaxed in design"*
- "I gained new skills for the future"*
- "This helped me to think outside the box when it comes to designing"*

**This workshop is free! You must be registered with ACES to attend.
Register with ACES & book online: www.dundee.ac.uk/aces**

ACES Tayside: Encouraging and supporting S4-S6 pupils to explore Art, Design & Architecture and Higher Education Study.

Thinking about studying Jewellery or Textile Design?

Join us on campus to spend a day in the life of a student in these areas. You'll have a tour of all the facilities, find out about applying and create your own jewellery and textiles pieces.

This event is perfect if you're interested in...

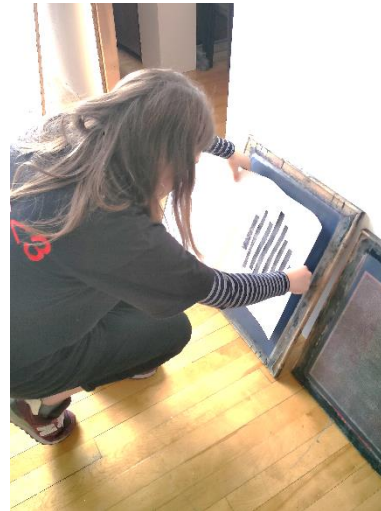

- ✓ Jewellery, Metalwork or Silversmithing
- ✓ Textiles
- ✓ Art & Design
- ✓ 3D Design
- ✓ Printmaking

Feedback from 2015 and 2016...

"I learned a lot about a specialism I hadn't explored before...I really enjoyed it!"

"This event helped me to understand jewellery and textiles and also inspired me throughout the workshop while working on the materials"

"I had the chance to see lots of ideas and new techniques"
