HOW DO I SIGN UP TO EVENTS?

Please use the 'Sign up here!' links above.

All of our events are listed on our website www.dundee.ac.uk/reach and bookings are managed by **Eventbrite**. You will find links to each event in Eventbrite from our website. Please note that you will be unable to 'search' for Reach events in Eventbrite as they are listed as private. The only way to access the Eventbrite for booking events is via our website or any links that we email to you. .

WHAT SHOULD I DO IF I CAN NO LONGER ATTEND AN EVENT?

It is really important that you let us know if you can no longer attend an event. Our events have limited places and we always operate a reserve list. If you don't let us know that you can't make it then you are preventing another Reach pupil the opportunity to attend. If you are ill, have transport or any other issues on the day of the event then please get in touch with us as soon as you can.

WHAT IS **PROFESSIONALISM**, AND WHAT PROFESSIONAL BEHAVIOUR IS EXPECTED?

We understand that things happen which mean you can no longer attend events that you have signed up for. If you don't inform us of this then we consider this as unprofessional behaviour.

HOW CAN I CONTACT THE REACH TEAM?

The best way to contact us is via email reach@dundee.ac.uk. Jan, Gemma & Fiona have access to this inbox and regularly check all incoming enquiries.

You can also contact us via telephone. As Gemma & Fiona are often out of the office at events then Jan is the best person to contact in the first instance.

Jan: 01382 381899 | Fiona: 01382 386647 | Gemma: 01382 388900
or Reach Mobile 07889646427

HOW CAN I MEET OTHER REACH PUPILS FROM DIFFERENT SCHOOLS?

Reach works with many schools across Scotland which makes attending our events a great way to meet like-minded pupils with similar career ambitions to you! Some of our pupils have met friends for life through Reach and are now studying and living together at University! Our social media is another great way to meet other Reach pupils. Use the Facebook group to communicate and tweet about our events.
