The set of local directories complements the information available in the  [Childcare & Family Information Directory December 2016 \[702Kb\]](#). This area-wide directory summarises the range of services provided by the Council and other partners and agencies that are most relevant for children and their families. Copies of this document are being distributed to families through Bookbug packs and are available on request from the Childcare Strategy Team.

Please get in touch if you would like some copies for personal or professional use. Perth & Kinross Childcare and Family Information Service can be contacted on 0345 601 4477, e-mail childcare@pkc.gov.uk.
