Dear Staff, Pupils and Parents.

Eco-Schools Scotland – Eco-Schools Green Flag Award status

I am delighted to confirm that your school has successfully renewed Eco-Schools Green Flag Award status. This is an outstanding achievement, so please pass on our congratulations to everyone involved.

Interim Assessment Report

Congratulations on renewing your Green Flag status. I enjoyed reading your application and was particularly impressed by the way your whole school has worked together to raise awareness of global charities and raise funds to support them. I was interested by your innovative way to tackle litter and gull problems.

Your Fit to Eat programme also sounds like a good way to promote healthy eating in early secondary school years.

Please have a look at the UN's Sustainable Development goals as you decide on your new Eco Action Plans and how these may link with your future Eco work.

Keep up the good work and I wish you success in achieving your new Eco Action Plans.

Next Steps

Please continue your next Eco-Schools two year renewal as before by choosing new topics and creating new Action Plans, prior to a launch of a refreshed Eco-Schools Scotland process in 2017.
