Update Newsletter w/c 8th May 2017

Timetable 2017-18 – New Start Date 22nd May: Following discussion with staff, it has been decided to delay the start of our timetable for session 2017-18 by one week. The new timetable will now officially start on Monday 22nd May 2017 and not on Monday 15th May as originally planned. This is to allow some extra time for all the necessary checks to be made. Pupils will be issued with their new timetable on Friday 19th May during Personal Support. All pupils in school have been informed of this decision and it will not affect the normal running of the school.

Transport during SQA exams: The school has sought assurances from PKC transport department in relation to the transportation of our young people during the SQA exams paying particular attention to the extensive roadworks currently undertaken across Perth and Kinross. We have been assured that school buses during this period “are given priority over commercial operations and depot teams will do their utmost to ensure that pupils arrive on time for their exams”.

S1 Reports: These will be given to pupils to bring home on Friday 12th May.

S1-2 London Trip: On Monday 15th May, 40 pupils from S1 and S2 will be heading to London for our first English and Media Experience Trip. The purpose of the trip is to attend a live West End theatrical performance of The Woman in Black to give pupils an insight and appreciation of Drama as a literary art form. Pupils will also attend Harry Potter Studios as an introduction to Film and Media and visit a number of popular London attractions.

Hopefully this will become a regular feature on the school calendar and those moving into S1 and S2 for the 2017-18 school year will have an opportunity to attend this event next year.

S1-S2 HPV Vaccinations: Reminder that the HPV vaccinations are taking place on Wednesday 24th May for S1 and S2 girls. Pupils will be told what time to attend for their vaccination during PS time.

Work Placements for current S3 pupils (moving in to S4 mid- May): Current S3 pupils will be entitled to seek an appropriate work placement during the week commencing 18/9/17. Please click [here](#) for full information.

S4-6 Leavers: Any S4 /5 and all of S6 who are leaving are required to complete a leaver’s form. This is to allow us to collate statistical information on leaver destinations. For S6 pupils these have been given to PS teachers to hand out. For S4/5 leavers they need to come to the office to get one.
