Dear Parent / Carer

A new way to record, track and monitor homework at Perth Grammar School.

We are excited to be launching Show My Homework, an online tool to help support your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, all their deadlines and their submission status and grades. We have decided to introduce this system to improve the way we communicate with parents and give you greater insight into the homework set.

A letter will be given to your child on Friday to bring home, providing you with a unique parent code. This is linked to your child's homework calendar where you will be able to see your child's 'To-do' list. All pupils in S1-S3 have already been shown how to download and log in to their version of the app to see the homework they have been given.

We hope that this service will provide parents with a deeper understanding of the homework your child receives. More importantly, we anticipate that it will improve your child's organisation, time-management and help them to keep on top of their learning.

Once you receive your login details please follow the instructions [here](#) to download the Show My Homework app. If you cannot download the app then all homework details can be viewed from the school website by clicking [here](#). You will then be sent push notifications to let you know what homework is due. You will also be notified of grades, overdue homework and announcements/events.

Please also remember that our new Study Space will be launched on Thursday 10th May where pupils will have access to the school library on Monday after school 3.45-4.45pm and Thursday lunchtime 1.20-2pm to complete homework or other study

If you would like to get in touch with the school or provide feedback, please contact Mr Mark Walker (Acting Principal Teacher Equity) or Mr Alistair Spalding on 01738 472800.

Thank you once again for your support,

Yours sincerely,

Fiona Robertson
