Dear David,

Stonewall's Starting Out guide 2017/18

We're delighted to announce the launch of the 2017/18 edition of [Starting Out](#), the national careers guide for lesbian, gay, bi and trans (LGBT) students, graduates and jobseekers.

The guide features tips for finding an inclusive employer, insights into different sectors and stories of inspirational LGBT role models in the workplace.

As a Diversity Champion, your organisation is also listed in the guide, which speaks volumes about your commitment to diversity and inclusion. Additionally, your organisation is featured on our dedicated [Starting Out website](#), where you can view and update your profile.

We're sending the guide to universities, colleges, secondary schools, careers services and youth groups across the country, so that talented LGBT students, graduates and jobseekers know they will be respected and celebrated for who they are within your workplaces.

To help us reach as many people as possible, we'd be very grateful if you could share the guide with the schools, colleges and libraries in your jurisdiction.

If you have any questions, [please email us](#) or speak to your Stonewall account manager.

Very best wishes and many thanks for your ongoing support.

Executive Director
