Study Support Opportunities 2016-17

Study Support Opportunities

Departmental supported study

The table on the next few pages provides a summary of the study support opportunities that are currently available for senior pupils from S4-S6. This information is also on the school website and will be regularly updated. In the lead up to key exam periods (prelims and the main SQA exams) these opportunities tend to increase.

Whole School supported study

In addition to departmental support, the school library is open at the end of the day from Monday – Wednesday. This provides a quiet space and access to IT to complete home study tasks, revise and extend learning and carry out research for investigations, projects and assignments.

Following our successful Easter School programme during the Easter holidays in session 2016-17, we intend to run similar provision this session.

Subject	Year Group/ Stage/ Level	Day of the week	Lunchtime or after school?	Location	Staff involved	Notes
English						
English	Higher	Monday	Lunchtime	A3	Mr Venter	
	Higher	Wednesday	After school	A28	Mrs Inglis
