

## **Modern Apprenticeship as Early Years Practitioner**

Red Squirrel Children's Nursery, Perth

An exciting opportunity has arisen to start your career in childcare in our Red Squirrel Children's Nursery in Glendoick.

This is a fantastic opportunity for an enthusiastic and motivated individual to train and gain their qualification while working in a nursery environment. We are looking for full time candidates who would like to grow and develop along with us and have their input and ideas valued. Additionally we request that you have a love for being outside and wish to explore the outdoor environment with the children and gain an understanding of the learning we can achieve there.

Previous childcare experience with children aged 0-5 years would be desirable but not essential as full training will be given to gain a Level 3 SVQ. We have a bus connection that will take you to our Nursery from Perth and Dundee or may be able to offer car sharing opportunities depending on your location.

Our opening hours are between 7 am and 6.30 pm, so you would need to be available during these hours for various shift patterns.

To apply please send your CV and a short covering letter detailing why you think you would be suitable for this position. Please note that as this position is a modern apprenticeship that candidates must be aged between 16-19 years old and the wage is in line with an apprenticeship hourly rate.
