

Pharmacy Support Staff (Dispenser, Technician, Trainee or Apprentice)

Lloyds Pharmacy, Auchterarder PH3

If you are a customer-focussed and passionate individual looking to develop your skills and career with an innovative healthcare business, LloydsPharmacy may have the opportunity for you. Working in our pharmacy store teams as a Pharmacy Technician or as a Qualified, Trainee or Apprentice Healthcare Partner will allow you to make a real difference to your local community while receiving valuable training and development, irrespective of experience level.

Store team roles:

- Apprentice Healthcare Partner (Entry-level)
- Trainee Healthcare Partner (Sales Assistant)
- Healthcare Partner (NVQ2 Qualified Pharmacy Dispenser)
- Pharmacy Technician (NVQ3 Pharmacy Services)
- ACT (Accuracy Checking Technician)

Whether you are brand new to the world of pharmacy, working towards a pharmacy dispensing/technician qualification, or have an existing NVQ2 Pharmacy Dispenser or Technician Certificate, LloydsPharmacy can provide support and guidance through the next steps of your career. You'll be taught about how to dispense medications and provide advice and services to our customers so that we can continue to build our reputation as one of the UKs leading community healthcare providers.

A career at LloydsPharmacy means being proud of what you do for others. But it also means being proud of what you can do for yourself. Proud of the skills you can learn and the experience you can gain working alongside talented, ambitious colleagues in a respected profession. Proud of the impact you can make, the opportunities you can take and the lives you can change by delivering innovative, pioneering healthcare services.

At LloydsPharmacy there are five qualities that we'll never compromise on. To work here you'll need to live and breathe our ICARE values that are central to our business - demonstrating Integrity in everything you do, putting the Customer first, being Accountable, showing Respect and always striving for Excellence. You'll also need a genuine passion and interest for providing a fantastic service to our patients.

If you think you've got everything we're looking for then we'd love to hear from you.
