Job overview

An opportunity has arisen for a Warehouse Modern Apprenticeship which will involve working in the stores facility within an aviation hangar.

What might a typical day in this job look like?

- Checking & taking in deliveries
- Maintaining the stores in a clean and tidy condition.
- Stock management, checks and quality control.
- Arranging freight and carriage for parts
- Specific computer system skills
- Ability to source parts at a competitive rate

What will I learn?

On completion you will be rewarded with your SVQ Level 2 in Freight Logistics Warehousing.

Along with this you will also gain more experience in the warehouse department and expand on your knowledge of what is included in a day to day basis in a warehouse environment.

What qualification or qualities are required?

The candidate should be of good character, punctual, methodical, and able to work to deadlines, be prepared to work hard as part of a team to achieve daily goals. Must have a genuine interest in developing skills in logistics and have good communication skills, a positive, "can do" attitude. Career focus and self motivation .

A thorough and structured approach to work.

A keen eye for detail, an interest in learning how a business really runs, must be smart and presentable. Must work well as part of a team.

The successful candidate should be health and safety aware.

Must have minimum NAT 4 or equivalent in English / Maths.
