# OLDER VOLUNTEERS NEEDED!

**Live in  
Perthshire ?**

**Can you spare  
2-3 hours a  
week ?**

**Are you a  
grandparent and  
you enjoy spending  
time with a younger  
person?**

After a successful project launch, GWT are looking to recruit more volunteers aged 60+ to provide assistance at Perth Grammar School, through 1-1 reading and numeracy work and also to help pupils design a reflective garden, poly-tunnel gardening, promote Eco recycling, up-cycling garden furniture and provide activity support throughout the school.

The specific aim of the project is to assist pupils to improve confidence, social skills, literacy and numeracy attainment.

**Interested? Please contact us at  
07927 550730**
