

## **Instructions to candidates**

### **Advance Higher, Higher & Nat 5 Mock Exam**

**All candidates should check this timetable carefully and speak to Mr Reid as soon as possible with any problems or exam clashes they have.**

1. All pupils should attend normal classes when not involved in an exam. Teachers have lists of pupils sitting each exam.
2. School uniform should be worn as normal throughout the exam diet.
3. Practical Exams and Speaking Tests will be arranged by your class teacher if they do not appear in this timetable.
4. When arriving and leaving an exam, pupils should not talk as there may be another exam in progress and while inside the exam venue exam conditions must be observed at all times.
5. If pupils have an exam at the beginning of a period they should make their way directly to the exam. Otherwise they should go to their class and register before going to the exam.
6. If you have Additional Assessment Arrangements these will be communicated to you directly.
7. **Mobile phones should not be taken into any exam venues.**
8. All pupils should arrive fully equipped for their exam. No equipment will be issued.
9. All pupils are reminded that a high standard of behaviour is expected and you should listen carefully to all instructions issued by the Invigilators. Any breaches of exam rules or poor behaviour will be reported to a member of the Senior Leadership Team and may result in your exam paper not being marked. Parents will also be informed.
10. **No talking** is permitted. If you require extra paper or feel unwell please raise your hand and sit quietly until the Invigilator approaches you.
11. Pupils may take bottled water into the exam venue but this must be in a clear bottle with the label removed.
12. Normal work will resume as soon as possible in your classes.
