Choosing Graphic Design in S3

Learners will **Create fun Graphic items** to help improve communication in a visually exciting way. They will create GIF's DTP pages, CAD Models and also presentation layouts for exciting projects while gaining essential skills.

Skills in S3 Graphic Design can lead to learners studying Graphic Communication, Design and Manufacture and /or Creative Thinking

Choosing Graphic Communication in S4/5/6

Graphic Communication introduces learners to the diverse and ever-increasing variety of presentation methods. It provides scope for personalisation and choice. Learners will develop an awareness of graphic communication as an international language and will be encouraged to exercise imagination, creativity and logical thinking!
