Parent(s)/Carer(s) of pupils at
Perth Grammar School

Dear Parent(s)/Carer(s),

Progress on Actions following Inspection of Perth Grammar School

In January 2020, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which Education Scotland agreed with the school and Perth and Kinross Council.

Education Scotland published a further letter in December 2021 and Perth and Kinross Council has now provided a report on the school's progress.

After reviewing all of the evidence and in discussion with Perth and Kinross Council, Education Scotland are now confident that the school has the capacity to continue to improve. Therefore, Education Scotland will make no further visits in connection with the inspection letter of January 2020.

The report on the progress made since Education Scotland's inspection of the school is attached and will also be published on the school's website.

Yours sincerely

Stuart Sweeney
